

Helping Hands of Roseville — NEWSLETTER

Est. 2012

April 2019

Proud Member Agency

THE ANNUAL VOLUNTEER APPRECIATION DINNER A ROUND-UP OF GOOD PEOPLE!

Helping Hand's Board of Directors again sponsored a dinner for all those who volunteer for shifts and deliveries at the pantry. Spouses were invited as well. This year's theme was a western one, with board members sporting western attire as they served those who attended the March 26 event.

It takes 22-28 volunteers each month to assist families in their shopping experience, and another 10 to help with the thousands of pounds of food in the bi-monthly deliveries. This Appreciation Dinner is the Board's acknowledgement that the pantry could not operate without the help of so many willing individuals and an expression of their appreciation of all the time and energy shared in the mission of feeding hungry families.

Six Years of Service Concluded

March 31st marked the completion of the terms of three of Helping Hands Board of Directors. Each has served in a variety of capacities.

- Linda Jones: president, vice president, scheduling manager, and maintenance committee.
- Karen Larkin: donations secretary, and a food committee member.
- Jonna Young: treasurer, delivery team organizer, and maintenance committee.

Their hours of time and energy in these roles as well as others have been a significant influence on the success of the pantry these past six years.

Their presence on the committee will be greatly missed!

Thank you, Linda, Karen, and Jonna.

May you be richly blessed for your involvement with Helping Hands of Roseville's food pantry.
