It's not ALL serious work that we do!!
David had to unplug a freezer to defrost it and this is the only way to get to the plug!
You can see how pleased he was (and the rest of us that were there) with his work!

Who faces hunger in the United States?

Hunger can affect people from all walks of life. Millions of people in America are just one job loss, missed paycheck, or medical emergency away from hunger. But hunger doesn't affect everyone equally - some groups face like children, seniors, and Black, Indigenous, and other people of color face hunger at much higher rates. Hunger also most often affects our neighbors who live in poverty.
