

Helping Hands of Roseville

NEWSLETTER

Est 2012

January 2020

The Helping Hands Food Pantry of Roseville exists to improve quality of life for Warren County residents by providing assistance to families in need and by developing programs to strengthen families and individuals.

Proud Member Agency

Christmas in the Village

Roseville's annual holiday event offers Helping Hands the chance to raise additional funds by having baked goods available in exchange for a monetary donation. Nearly \$400 was brought in this year. The success is credited to many, including Carol Becraft who creatively decorates the display table, all those who donate baked goods, and of course those who give generously for their chosen desserts. Due to the popularity of the gathering, Helping Hands plans to have more desserts available next year!

Numbers for December

185 Family Visits
640 individuals served,
including 235 children.

Reminder:

Helping Hands is now a registered charity on

By visiting

Helping Hands Blessed by WMOI's 19th Annual Freezing for Food Event

If you happened to be on N. Main in Monmouth, IL between 9 am and 3 pm on December 4-6, you were likely to see bundled individuals standing alongside the road at Save A Lot grocery store, holding signs that announced a food drive. Helping Hands of Roseville is blessed to be a beneficiary of the event, along with Jamison Center's pantry.

Sunny 97.7 WMOI hosts the event with the support of community businesses and individuals. As monetary donations come in, shopping trips are made and soon many carts are filled! The collection grows even more as individuals add items purchased while they did their personal shopping.

Helping Hands wishes to express sincere appreciation for all those who gave time as street greeters and those that gave monetary & food donations.

The community's spirit of sharing will benefit the shelves of the pantry for months to come.

HAPPY NEW YEAR

From The Helping Hands Board of Directors
