## Helping Hands of Roseville Remains Open During COVID-19 Pandemic

Food is an essential of life! Roseville's food pantry made the necessary changes in the service routine in order to remain open and continue to provide food items to Warren County residents in need. For the duration of the recommended social isolation families are being given pre-packed boxes at the entrance door. These boxes are filled in proportion to family size. Some of the items included are canned products, boxed dinners, cereals, pancake mix, several frozen meat items, eggs, milk (when available), as well as a variety of fresh fruits and vegetables, and some coveted paper products! If you or someone you know could use a little extra help putting food on the table during these challenging times, Helping Hands of Roseville is here to serve.

*Hours remain Mondays 9 a.m. - Noon, and Thursdays, 3-6 p.m.*

Support in the Past, Support in the Present — that's what makes it possible for The Pantry to be well-stocked and ready in times of need like these...

Helping Hands is pleased to welcome JAN SPROUT and LINDA JONES (returning) to the 2020-2021 Board of Directors

May you be blessed for your willingness to contribute your time and energy to this community endeavor.

### Scouting Out a Way to Help

Ryan Byers pitched in and helped stock the shelves for the next open hours as well as wiped down chairs as part of his community service efforts. It was a great to have his youthful energy involved. Thanks for choosing Helping Hands to share your time with, Ryan!
