"Partnering with Pork Power"

The headline on a recent article in FarmWeek was "Three Illinois Food Banks receive 12,600 pounds of pork." That is an impressive amount of protein earmarked for people with food insecurity. As part of the "Pork Power: Partnering to Fight Hunger in Illinois" campaign, three Illinois farm associations worked together to donate that meat. Year-round farmers and other commodity groups give whole hogs and monetary donations, then at the end of the year the meat is divided among the regional food banks. River Bend Food Bank received 4,400 pounds of ground pork, which is then provided to their community partners, for instance food pantries like Helping Hands. We are looking forward to making that meat available to our clients soon. We want to thank the three participating associations: the Illinois Pork Producers Association, the Illinois Corn Marketing Board and the Illinois Soybean Association Checkoff Program. We also want to thank all of the local farmers and pork producers who are so generous to those in need of food.

**HELPING HANDS FOOD PANTRY PARTICIPATES IN
ROSEVILLE'S CHRISTMAS SPIRIT OF LIGHTS**

It was an honor to take part in the First Annual Spirit of Lights event hosted by the Roseville Boy Scouts Troop 336. The lighted drive-through took place on the Friday and Saturday nights of December 4th & 5th, and the 11th & 12th. Then, by popular demand, the event was extended into the weekend of the 18th and 19th as well. Congratulations to Troop 336 on the success of the festival, and thank you for inviting Helping Hands Food Pantry to be involved.
