HELP WANTED -- WE NEED YOU!!

Helping Hands Food Pantry is an organization completely dependent on volunteers. With rising prices for food and gas, Helping Hands has had many people coming to get food lately. But we need volunteers! Because we live in a farm community, many regular volunteers have harvest responsibilities in the fall. Volunteers help the clients choose food at each pantry session. Volunteers work a three hour shift of their choice twice a month either Monday morning or Thursday afternoon when the pantry is open. Before working a shift, we will train you. And during all shifts, Board members will be working with you. Please think about giving us a few hours of your time each month. Please pass this information along to your friends. If you would like to volunteer, contact Cyndy Hunter 217-622-4815 for more information.
